My Monsters Ain't Like Yours

by R.J. Joseph

Short Horror Collection

Imprint: Quill & Crow

Pub Date: July 15, 2026

ISBN: 978-1-967911-22-6

Pages: 282

Formats: ebook, paperback

Description

At its core, the horror genre is an effective vehicle for exploring human behavior. From within its terrifying boundaries, and lack thereof, we can examine monstrosity. We can determine how monsters are labeled, analyze the actions of those deemed monstrous, and prophesy the impacts this labeling and actions have on the world around us.

Monsters are personal. Monsters are universal. These facts create an intriguing juxtaposition where the things deemed monstrous or frightening can be shaped by personal experiences, while also representing many aspects of the human condition; our fears are much more similar than dissimilar. This means my monsters are absolutely like yours: they are our collective nightmares.

My Monsters Ain't Like Yours reflects this irony through Black feminist intersectional horror at its rawest.

R. J. Joseph is an award winning, Stoker™ and Shirley Jackson awards nominated, Texas based writer who earned her MFA in Writing Popular Fiction from Seton Hill University and who must exorcise the demons of her imagination so they don't haunt her being. As Lizzie grows, and grows restless, under the watchful eye of stepmother Abby and the cruelty of father Andrew, things begin to happen in that suffocating home on Second Street. Heirlooms go missing, disquieting sounds come in the night, and fraught and fragile relationships splinter.

Emma, witness to her sister's increasingly disturbing behavior, finds herself torn between her vow and the promise of escape with a secret love. She turns to the only ones who can help her—Katie, the Borden's new Irish maid, and her Aunt Georgie, each holding secrets of their own. Together, they do their best to protect young Lizzie from her own worst enemy: herself. In the end, Emma questions if she should sacrifice the only thing she ever loved for the one thing she never realized she truly wanted.
